## WORK EXPERIENCE

### Internship Trainee

Acciojobs

11/2022 - Present

Gurugram

As an intern at Acciojobs, I have been gaining hands-on experience in a range of front-end technologies, including React JS, JavaScript, Bootstrap, CSS, and HTML. In addition, I have been developing my knowledge of OOPs, SQL, Data Structures, and Java. Through my work on various projects, I have demonstrated my ability to apply these skills effectively to create high-quality solutions. I am eager to continue building my expertise and contribute to a dynamic and innovative team as a front-end developer..

## PERSONAL PROJECTS

### Dictionary App (08/2023 - 09/2023) [🔗](#)

- The Home Page serves as the application's gateway. It features a Navbar with the app title and navigation links to the Home and History pages. Users can access the core functionalities seamlessly.
- The Word Details Page is where users find comprehensive information about a word. This includes phonetics, meanings, part of speech, definitions, and even audio pronunciations. Dynamic routing is employed to cater to various words, enhancing the app's versatility.
- **HTML || CSS || JavaScript || React || API's || Redux**

### Excel Sheet Clone (03/2023 - 04/2023) [🔗](#)

- Spreadsheet application that allows users to edit cells, change cell styles, and copy/cut/paste cell contents
- Spreadsheet application that allows users to edit cells, change cell styles, and copy/cut/paste cell contents. Defines event listeners for each button and cell, which update the data stored in the array and the styles of the cell. The update Json function is called each time a cell is updated or styled, which updates the data for that cell in the array.
- **HTML || CSS || JavaScript**

### Pizza Restaurant (04/2023 - 05/2023) [🔗](#)

- Pizza Restaurant site is a responsive static site featuring a visually appealing design with HTML, CSS, and Bootstrap.
- This restaurant website is optimized for desktop, tablet, and mobile devices, providing an engaging user experience for customers to order online.
- **HTML || CSS || Bootstrap**
